registering, indicate number of children and ages.

**Order of St. Luke** One of the many ways the Holy Spirit provides gifts is through the healing ministry. The Order of St. Luke is an ecumenical (multi-denominational) healing order. Among the denominations are Methodist, Lutheran, Episcopal, Anglican, Baptist, and many other Christian members dedicated to the Christian Healing Ministry.

### What the conference is about

Participants will gain more biblical understanding of Christian healing plus a practical knowledge of and examples of healing. We shall gain a new appreciation of how each can be healed, so we can then also bring healing to those outside the Church.

**Who should attend?** All are welcome. Participants will come from many churches, denominations, Christian healing communities, and cursillistas. Those interested in learning more about Christian healing. Those who may need healing. Those who may have the spiritual gift of healing.
